Dear Chairman Seay:

Each April, during Child Abuse Prevention Month, the Southeast Alabama Child Advocacy Center coordinates a community wide Blue Ribbon Campaign. The purpose is to raise awareness about the problems of child abuse and to generate support for our services. The theme for this year's campaign is "**25 Years of Hope.**" Over the last 25 years, the CAC has been a part of helping thousands of children to tell their stories and no longer suffer in silence.

Using a multidisciplinary team approach to the investigation of child abuse allegations allows child victims and their families to receive the help they need through the coordination of services. Last year, we provided interviews to 526 children regarding new allegations of abuse and served 1721 children. The CAC services are essential for the recovery of children in Henry, Houston, Dale, and Geneva Counties!

We will officially kick off Child Abuse Prevention Month at a *press conference on Friday, April 5, at 10:00 a.m. at Porter Park on Foster Street in downtown Dothan.* Please consider this your personal invitation to join us for this event!

We would appreciate it if you would proclaim April as "Child Abuse Prevention Month" in your community. Enclosed you will find a sample proclamation which could be presented at your commission meeting. If you would like a representative from our agency to attend the meeting when the proclamation is presented, please contact me at 671-1779.

Thank you for your past support and helping us provide hope for children! Please let me know if you have questions or need additional information.

Warmest Regards,
